

COVID-19 VACCINATION CERTIFICATION FORM

HopeWorks volunteers must provide official documentation of vaccination status to Human Resources and include the following:

- The type of vaccine administered.
- The date of administration.
- The name of the clinic site administering the vaccine.
- A copy of the Vaccination Record Card.

Volunteers must certify that the documentation they are submitting is true and correct. Providing false documentation is against the law.

I hereby certify that the vaccine documentation I am submitting is true and correct.
